NOTE—Contn sheet

M.O.L.D 120 Office of the Comptroller in Mysore,

Bangalore, 18th November 1919.

From

T. Satyaraj Chetty Esq., B.A.,
Offg. Comptroller to the Govt. of Mysore,
B a n g a l o r e.

To

B. Ramaswamayya Esq., B.A., B.L.,
Secretary to the Government of Mysore,
Revenue Department, BANGALORE.

Sir,

Adverting to para 2 of the Government Order No.5380-400/ Rl.168-17-1 dated the 28th March 1918 directing that one half of the cost of Local Audit of accounts should be rateably recovered from the several Municipalities and District Boards, I have the honour to report for the information of Government that for this purpose the cost of the local audit recoverable from the local bodies for the year 1918-19 was determined as follows -

Actual pay and Travelling Allowance of the permanent and temporary Local Auditors and peons employed in connection with the Local Audit of these accounts, as well as three-fourths of salary, local allowance, and Travelling Allowance of the Assistant Comptroller in charge of Local Audit Department disbursed during 1918-19 have been taken and half of this aggregate charge apportioned against several Municipalities and District Boards in proportion to their average income and expenditure during the three years ending June 1919.

As the Assistant Comptroller in charge of Local Audit Department is also in charge of outside audits, only three-fourths of the expenditure on his account was taken in computing for this purpose the cost of Local Audit.

The apportionment of half the cost for 1918-20 and 1920-21 among the several bodies will be based on the above average

which will be revised once in three years.

2. The cost computed as above and recoverable from the Local Bodies was Rs.8,898-0-11 for 1918-19. This amount was adjusted by credit to this office Establishment and debit to Objection Book Advances in the final accounts for June 1919. Apportionment of the cost to the several bodies which had to be delayed till now owing to non-receipt, in time, of accounts of some of the bodies for June 1919, has now been completed. The amount recoverable from each body on this account for 1918-19 has been intimated in this office letter No.116-17/LAD dated the 10th November 1919 to the Deputy Commissioners who have been requested to issue necessary instructions to the Local Bodies to forward to the Treasuries concerned crossed cheques drawn in favour of the Treasury Officers for amounts payable by them. The Presidents of the two City Municipalities have also been requested to, similarly, pay the amounts recoverable from them.

I have the honour to be,

Sir,

Your most obedient servant,

Offg. Comptroller.
